CALM Act Certification

This is to certify that, as of November 20, 2012:

1. As required by Section 76.607 of Title 47 of the Code of Federal Regulations, all "commercial advertisements" (as defined in the FCC Report & Order adopting rules to implement the Commercial Advertisement Loudness Mitigation Act) embedded in the programming services of Showtime Networks Inc. ("SNI") are in compliance with the loudness control practices contained in Advanced Television Systems Committee (ATSC) A/85: Recommended Practice: Techniques for Establishing and Maintaining Audio Loudness for Digital Television ("ATSC A/85 Recommended Practice") at the point of distribution of each such programming service by SNI to authorized reception equipment of downstream multichannel video programming distributors. The programming services of SNI include: Showtime, The Movie Channel, and Flix and all multiplexed and other versions of such services including Showtime 2, Showtime Showcase, Showtime Extreme, Showtime Beyond, Showtime Next, Showtime Women, Showtime Family Zone, The Movie Channel Xtra, Showtime on Demand, The Movie Channel on Demand, and Flix on Demand (including standard definition and/or high definition versions, and time-zone shifted versions, of the foregoing).
2. Compliance with the ATSC A/85 Recommended Practice is determined by SNI through the use of equipment and associated software that is installed, utilized and maintained in a commercially reasonable manner.
